

The gala is our signature event celebrating scientific discovery and honoring the work of research luminaries whose work saves lives.

We are proud to shine a spotlight this year on women and lung cancer. Their experiences and dedication are informing the science and shaping the future.

This year's gala will be held on **Wednesday, Sept. 23** at **Cipriani 25 Broadway** in New York City.

meet our honorees

Rose Ann Weinstein

We are proud to honor Rose Ann Weinstein, whose 20 years of extraordinary leadership, generosity, and vision have helped shape the Lung Cancer Research Foundation and advance lung cancer research nationwide.

In honor of her mother, Rose Ann has built a lasting legacy of impact championing research that drives earlier detection, better treatments, and renewed hope for patients and families. Her commitment has transformed LCRF into a national leader, and her influence continues to inspire our community to invest boldly in lifesaving science.

Narjust Florez, MD

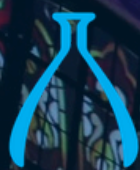

We are honored to recognize Dr. Narjust Florez, a trailblazing thoracic oncologist, researcher, and advocate whose work has transformed how lung cancer in women is understood, diagnosed, and treated.

Through groundbreaking research, the creation of clinics dedicated to women with lung cancer, and the powerful #HearHer campaign, Dr. Florez has elevated patient voices, challenged inequities, and driven meaningful change in care. Her leadership at Dana-Farber Brigham Cancer Center exemplifies LCRF's commitment to science that centers equity, compassion, and real-world impact for women and families affected by lung cancer.

SPOTLIGHT ON

WOMEN

Wednesday, Sept 23, 2026 • Cipriani 25 Broadway • New York City

Accelerating discovery. Empowering breakthroughs. Saving lives.

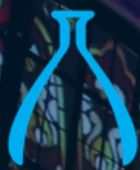

Lung cancer remains the leading cause of cancer death — yet lung cancer research funding lags far behind other diseases. The Lung Cancer Research Foundation gala brings together scientists, survivors, innovators, physicians, and philanthropic leaders to fuel life-saving discoveries.

Your sponsorship directly powers bold research, early-career investigators, and promising projects with the potential to transform outcomes for people living with lung cancer.

Your support doesn't just fund an event — it brings us closer to our vision of a world free of lung cancer.

- Verbal mention by auctioneer
- Logo on each guest's paddle during fundraising program; visibility in auction photos post-event*
- Custom branded paddle pickup experience at check-in

Honoree Video sponsor

(1 available)

SOLD

- Exclusive recognition as video sponsor
- Logo at end of video
- Tax deductible amount: \$10,000

Patient Ambassador fund • \$5K

- Sponsor 2 patients, caregivers, or research advocates to attend the gala event!
- Recognition on printed program
- Tax deductible amount: \$5,000

Theme of our 2026 gala

This year only, we shine a spotlight on **women** — the women surviving lung cancer, the women we have lost and honor, the women caring for patients every day, and the women in labs pushing science forward toward a cure.

Capture the Cause photo experience sponsor

(1 available – ask for a custom proposal)

This highly visible sponsorship captures the spirit of the event and creates a branded moment guests will want to share. Photos from Capture the Cause will be posted to social channels with a sponsor branding and optional inclusion of sponsor link or #hashtag. It's a fun, shareable experience that keeps your brand in the spotlight long after the event ends.

Signature Brand Moment – product activation

(1 available – ask for a custom proposal)

Create a refined, interactive brand presence where guests can discover, sample, and engage with your products in an elegant, curated setting. This activation invites hands-on exploration and positions your brand as part of the evening's atmosphere and conversation.
