Using the donation punchcard on Instagram (or Facebook) Stories

1

Find **raise-100.png** or **raise-250.png** in the *Instagram stories graphics* folder. Save the image to your phone, and add it to your Instagram story. Add your donation link.

2

Use the text and tagging tools in Instagram to recognize your friends and family who have donated to you!

Help me raise **$100** for lung cancer research!
